Teeth Extracted without pain!! NO HUMBUG!!!

---DR. H. S. CHASE OF WOODSTOCK.

Having purchased at great expense the right to use the COMPOUND FOR ALLEVIATING PAIN," ately descovered by Dr. Morton, of Boston, has fitted up a room expressly for extracting teeth, and is now prepared to administer the article and perform the operation, POSITIVELY WITHOUT PAIN. The Compound is a gra, which is breathed for a moment by the patient, who immediately falls into a quiet sort of sleep, which tasts for a longer or shorter time as the Operation may desire, during which a tooth may be extracted, or any other Surgical operation performed without any softening on the part on the Patient. Those who have heretolore pasted many a sleepless night in agony, rainer than undergy a short but painful operation, need dread it no longer. The effects of the Compound are immediately recovered from, and are entirely harmbess. No unpleasant consequences can possibly result from Its asc. Dr. Chisse has extracted teeds several times for lateness who were under the influence of the gas, and in every instance with the greatest success they declaring on "vaking up," that they had not felt the slightest pain, and moreover that the sensitions produced by the Compound were of the most delightal kind.

Surgicial Operation.—On Friday last, we witnessed the effects of Dr. Morton's new invention, for rendering patients insensible, during Surgical operations. The operation was performed by Dr. Morton, and a young panion the removal of a master from the neck. The preparation was administered in the form of gas, which was infasted from a gas receiver, and in a few moments the patient fell into a quiet slumber, in which he remained willow shewing the least symptoms of usin till near the close of the operation. On Saturday, Dr. Hayward removed a very large tumor from the arm of a body, who declared, after she awake from the effects of Dr. Morton's preparation, that she had not the least consciousness of having suffered pain, the whole ten minutes being passed away in a dream, the particulars of which she related when she arose from the operator's chair. Dr. Morton, who is a deutist, has administered in sume preparation to persons, previous to extructing a tooth, and they wick egwith astonishment at finding the tooth gone.—Caristian Watchman.

PREPARED BY THE OLD INDIAN DOCTOR, SO ... MOCH CELEBRATED FOR HIS REMARKABLE CURES. WHERE these Medicines are introduced, every objection is at once proceeded, for they have gained the most perfect confidence of every individual, after giving them is fir trial. I do not hesitate to say that the celebraty of these medicines has outstrapped all of the popular remedies in the United States, and there are perfect rensons for the achieviselged merrical these Medicines. In the first place, they have not come up in a few days or years, but to the contrary. They are the scientific companies of the ecclorated Dr. J. S. Spear, of Boston, after a long, extensive and successive practice, and may be relied upon with the most perfect certainty as a positive core in all the diseases for which they are recommended. And I do not hesitate to guarantee a perfect ours in every curalise disease. Research if you will persevere a reasonable time with these institutions, as recommended, you must cortainly feel yourself under the highest obligations for those discoveries, you will also feel yourself may bound to reconnected them to the afflicted. There are more than ten thousand persons in the States of New Hampshite and Verturant that will testify to the highly important efficacy of these medicines, and many will testify that their lives have been saven only by the use of these medicines.
